

Dashboard Overview: "Players Performance up to 2019"

This dashboard provides an in-depth analysis of cricket players' performance data up to the year 2019. It includes multiple visualizations and key performance metrics to help users gain insights into players' historical performances.

1. Filters

At the top of the dashboard, users can apply various filters to customize their view:

- **Player:** Select a specific player.
- **Formats:** Choose between different cricket formats (e.g., ODI, T20, Test).
- **Country:** Filter by players from different countries.
- **Span:** Define the time span for the data being viewed.

2. Player Information

A detailed section for each selected player, including:

- **Player Name:** e.g., A Bagai
- **Span:** Playing period (e.g., 1879-1893)
- **Runs:** Total runs scored (e.g., 108,000)
- **Innings:** Total number of innings played (e.g., 30)
- **Balls Faced:** Total balls faced (e.g., 1.9 million)
- **Average:** Batting average (e.g., 30.96)
- **High Score:** Highest individual score (e.g., 164,000)
- **Strike Rate:** Batting strike rate (e.g., 57.41)
- **Centuries:** Total centuries scored (e.g., 5,566)
- **Fifties:** Total fifties scored (e.g., 13,000)

- **Duck Outs:** Total times dismissed for zero (e.g., 7,916)
- **Not Outs:** Total not out innings (e.g., 13,000)

3. Top Performers

Highlights of key players and their performance metrics:

- **SR Tendulkar:** 761 innings, 34,347 runs, 100 centuries.
- **KC Sangakkara:** 666 innings, 28,016 runs, 71 centuries.
- **RT Ponting:** 668 innings, 27,483 runs, 71 centuries.
- **DPMD Jayawardene:** 725 innings, 25,957 runs, 54 centuries etc.....,

4. Sum of Runs by Player

A “Donut Chart” showing the distribution of total runs scored by various players. Each segment of the circle represents a player’s contribution to the total runs.

5. Sum of Runs by Player and Table Type

A “Waterfall chart” that shows the total runs scored by different players, categorized by the type of cricket format (e.g., ODI, Test). This chart helps identify trends and compare performance across formats.

6. Sum of Runs by Country

A “Waterfall chart” displaying the total runs scored by players from different countries. This visualization helps compare the performance of players on a national level.

7. T20 Runs vs Boundary Percentage

Detailed stats for top T20 players representing on “Tornado chart”

- **RG Sharma:** 2,633 runs, 64% boundary percentage.
- **V Kohli:** 2,633 runs, 59% boundary percentage.
- **MJ Guptill:** 2,436 runs, 63% boundary percentage.
- **Shoaib Malik:** 2,239 runs, 64% boundary percentage.
- **Mohammad Shahzad:** 2,217 runs, 63% boundary percentage.
- **BB McCullum:** 2,140 runs, 64% boundary percentage.
- **DA Warner:** 2,093 runs, 59% boundary percentage.
- **EJG Morgan:** 2,002 runs, 59% boundary percentage. etc.....,

8. Average of Strike Rate and Sum of Averages by Player

A “Ribbon” illustrating the average strike rate and the sum of batting averages for different players. This helps identify the most consistent and efficient batsmen.

9. Sum of High Scores by Player and Table Type

A “bar chart” that showcases the highest individual scores achieved by players in different formats (ODI and Test).

10. Sum of Centuries, Fifties, Not Outs, Duck Outs by Player

A “Ribbon chart” representing the total number of centuries, fifties, not outs, and duck outs by different players. This chart provides a comprehensive view of a player’s career highlights and overall performance.

12. Sum of Centuries vs Fifties by Country

A “Tornado chart” representing the total number of centuries vs total number of fifties by Country.

13. Count of Player by Span

A “Bar chart” representing the Count of Player by Span.

14. Count of Player by Country

A “Bar chart” representing Count of Player by Country.

Tooltips

1. Country Data

108K	3M
Inns	Runs
1.90M	30.96
Balls Faced	Average
5566	17K
Centuries	Fifties
57.41	164K
Strike Rate	High Score

2.Balls Faced vs Runs

SR Tendulkar	21367	34347
KC Sangakkara	19204	28016
RT Ponting	17348	27483
DPMD Jayawardene	17141	25957
JH Kallis	16443	25534

Format : TEST

2. Performance Metrics

- What's the average performance (runs, strike rate, high score) for players in ODI, T20, and Test formats?

Format : ODI

47K	1M	47K	7720	3102
Inns	Runs	High Score	50s	Duck Outs
1.74M	32.08	76.99	1693	6523
Balls Faced	Average	Strike Rate	100s	Not Outs

Format : T20

10K	201K	23K	889	789
Inns	Runs	High Score	50s	Duck Outs
160.87K	21.98	122.25	44	1897
Balls Faced	Average	Strike Rate	100s	Not Outs

Format : TEST

51K	2M	95K	8343	4025
Inns	Runs	Hlgh Score	50s	Duck Outs
0.00	36.19	0.00	3829	4809
Balls Faced	Average	Strike Rate	100s	Not Outs

3. Comparative Analysis

- How do the boundary percentages of players compare across Runs?

Format : T20

t20 Runs vs Boundary Percentage		
RG Sharma	2633	63
V Kohli	2633	54
MJ Guptill	2436	63
Shoaib Malik	2263	49
Mohammad Sh...	2217	63
BB McCullum	2140	63
DA Warner	2079	64
EJG Morgan	2002	59

4. Player Specifics

- Can you show the total centuries, fifties, and high scores for top players in each format?

Format : ODI

Top Performers						
Player	Inns	Runs	Average	Hlgh Score	Centuries	Fifties
SR Tendulkar	452	18426	44.83	200	49	96
KC Sangakkara	380	14234	41.98	169	25	93
RT Ponting	365	13704	42.03	164	30	82
ST Jayasuriya	433	13430	32.36	189	28	68
DPMD Jayawardene	418	12650	33.37	144	19	77

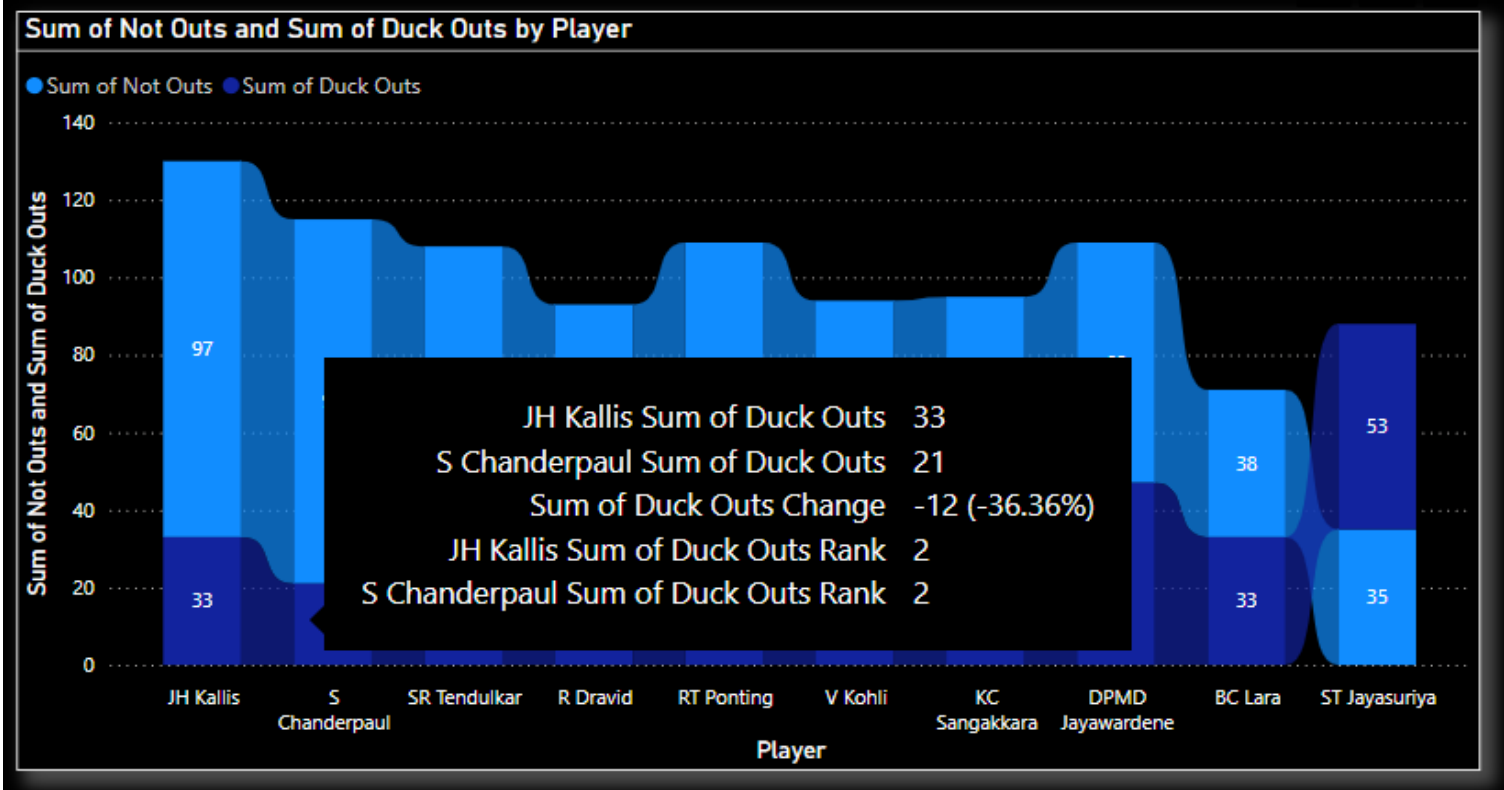

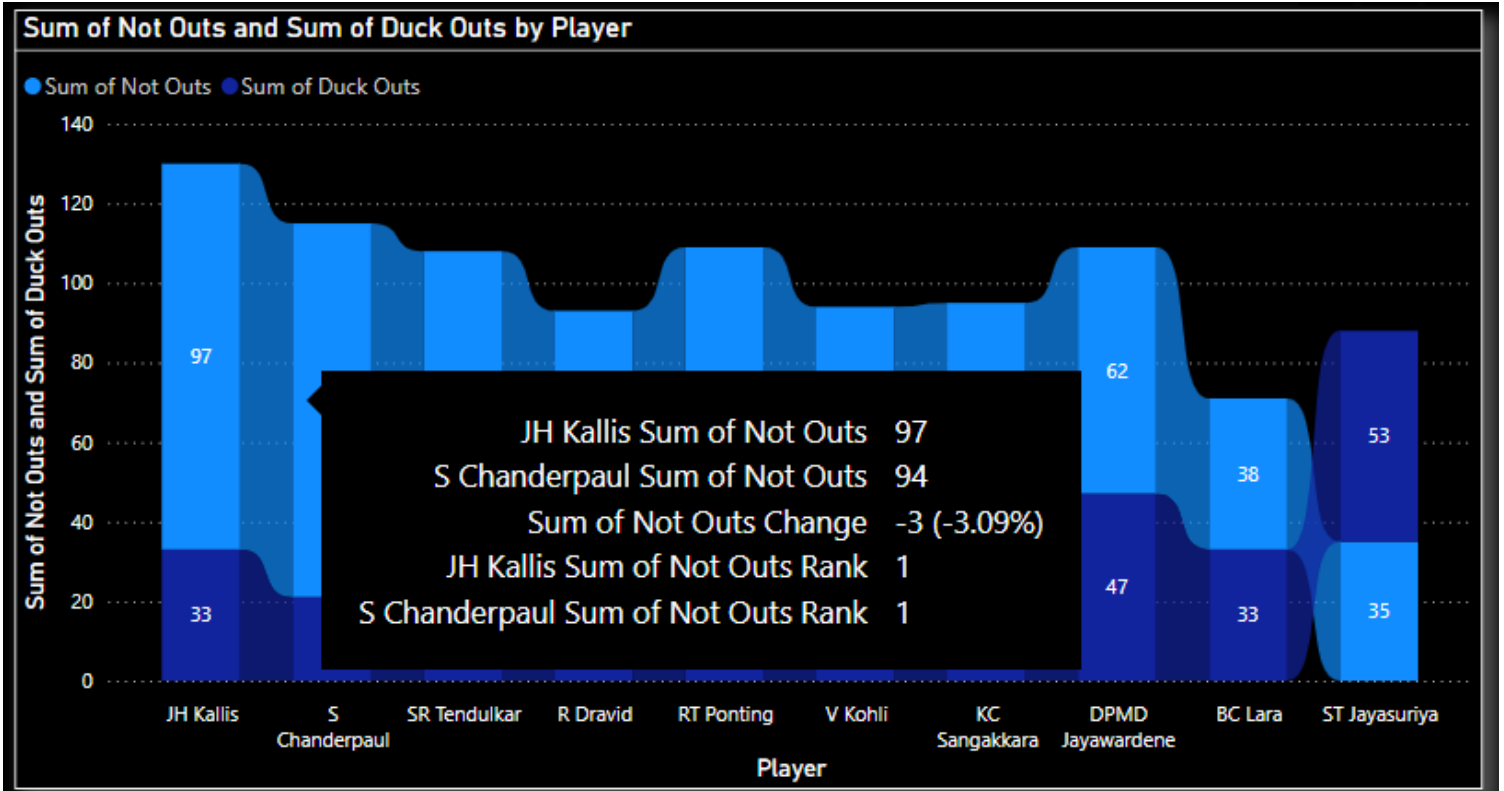

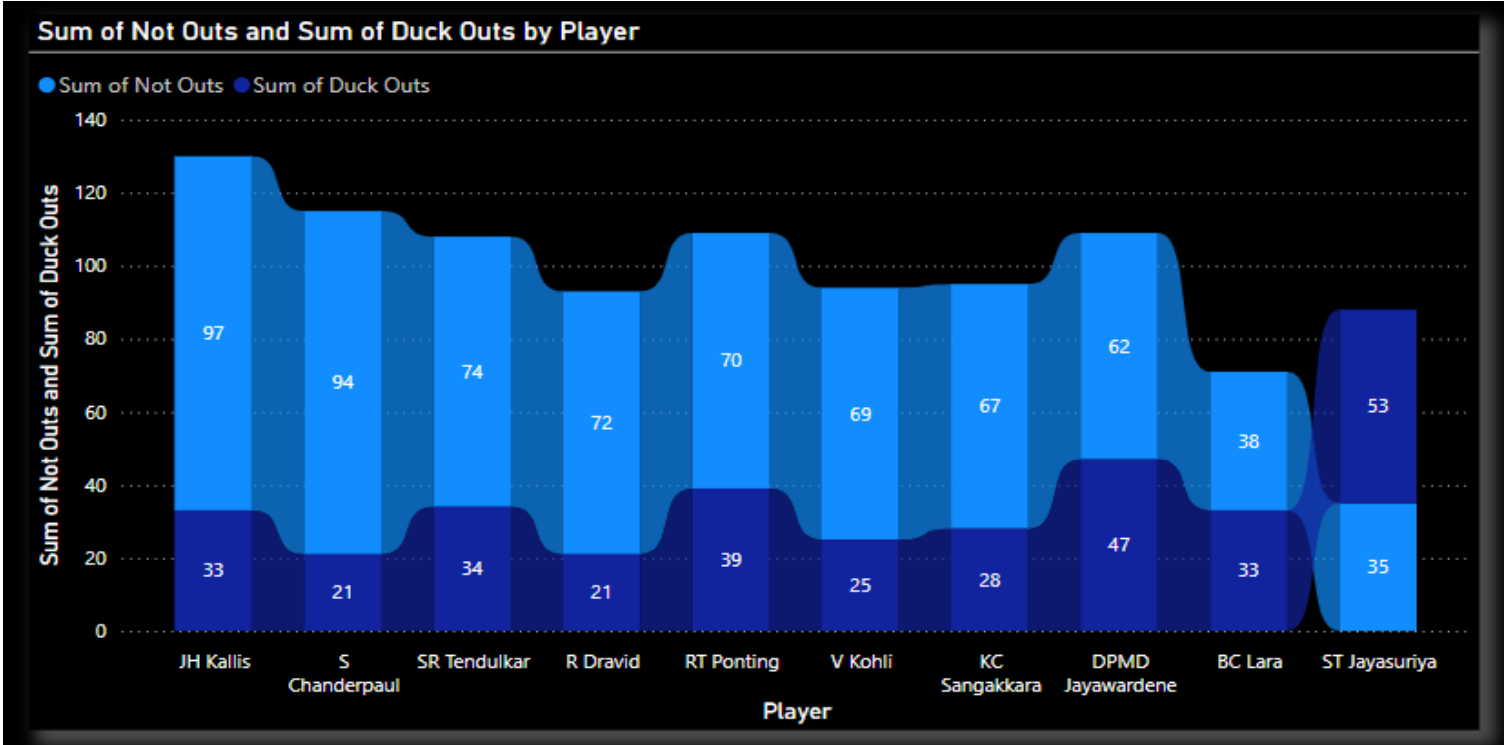

Format : T20

Top Performers						
Player	Inns	Runs	Average	Hlgh Score	Centuries	Fifties
RG Sharma	96	2633	32.10	118	4	19
V Kohli	70	2633	52.66	94	0	24
MJ Guptill	80	2436	33.36	105	2	15
Shoaib Malik	104	2263	30.58	75	0	7
Mohammad	85	2217	23.42	170	1	13

Format : Test

Top Performers						
Player	Inns	Runs	Average	Hlgh Score	Centuries	Fifties
SR Tendulkar	329	15921	53.78	248	51	68
RT Ponting	287	13378	51.85	257	41	62
JH Kallis	280	13289	55.37	224	45	58
R Dravid	286	13288	52.31	270	36	63
AN Cook	291	12472	45.35	294	33	57

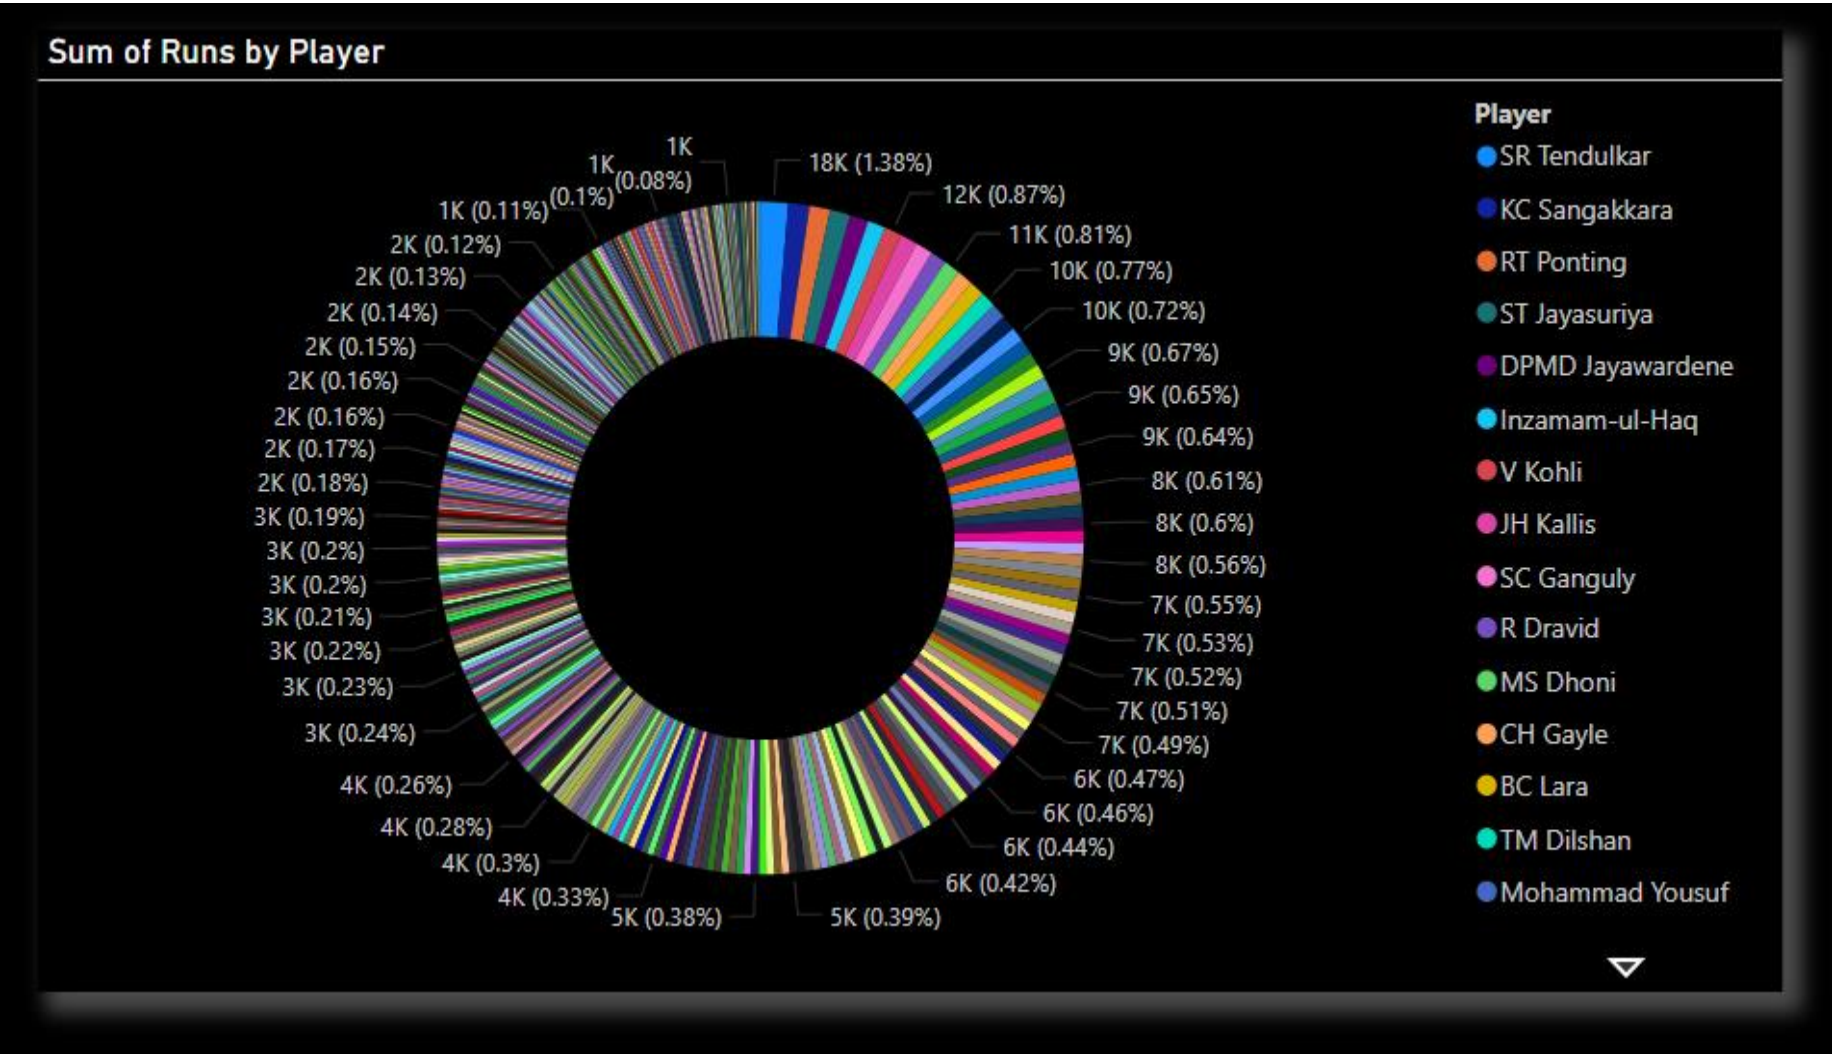

- What’s the distribution of duck outs and not outs for key players?

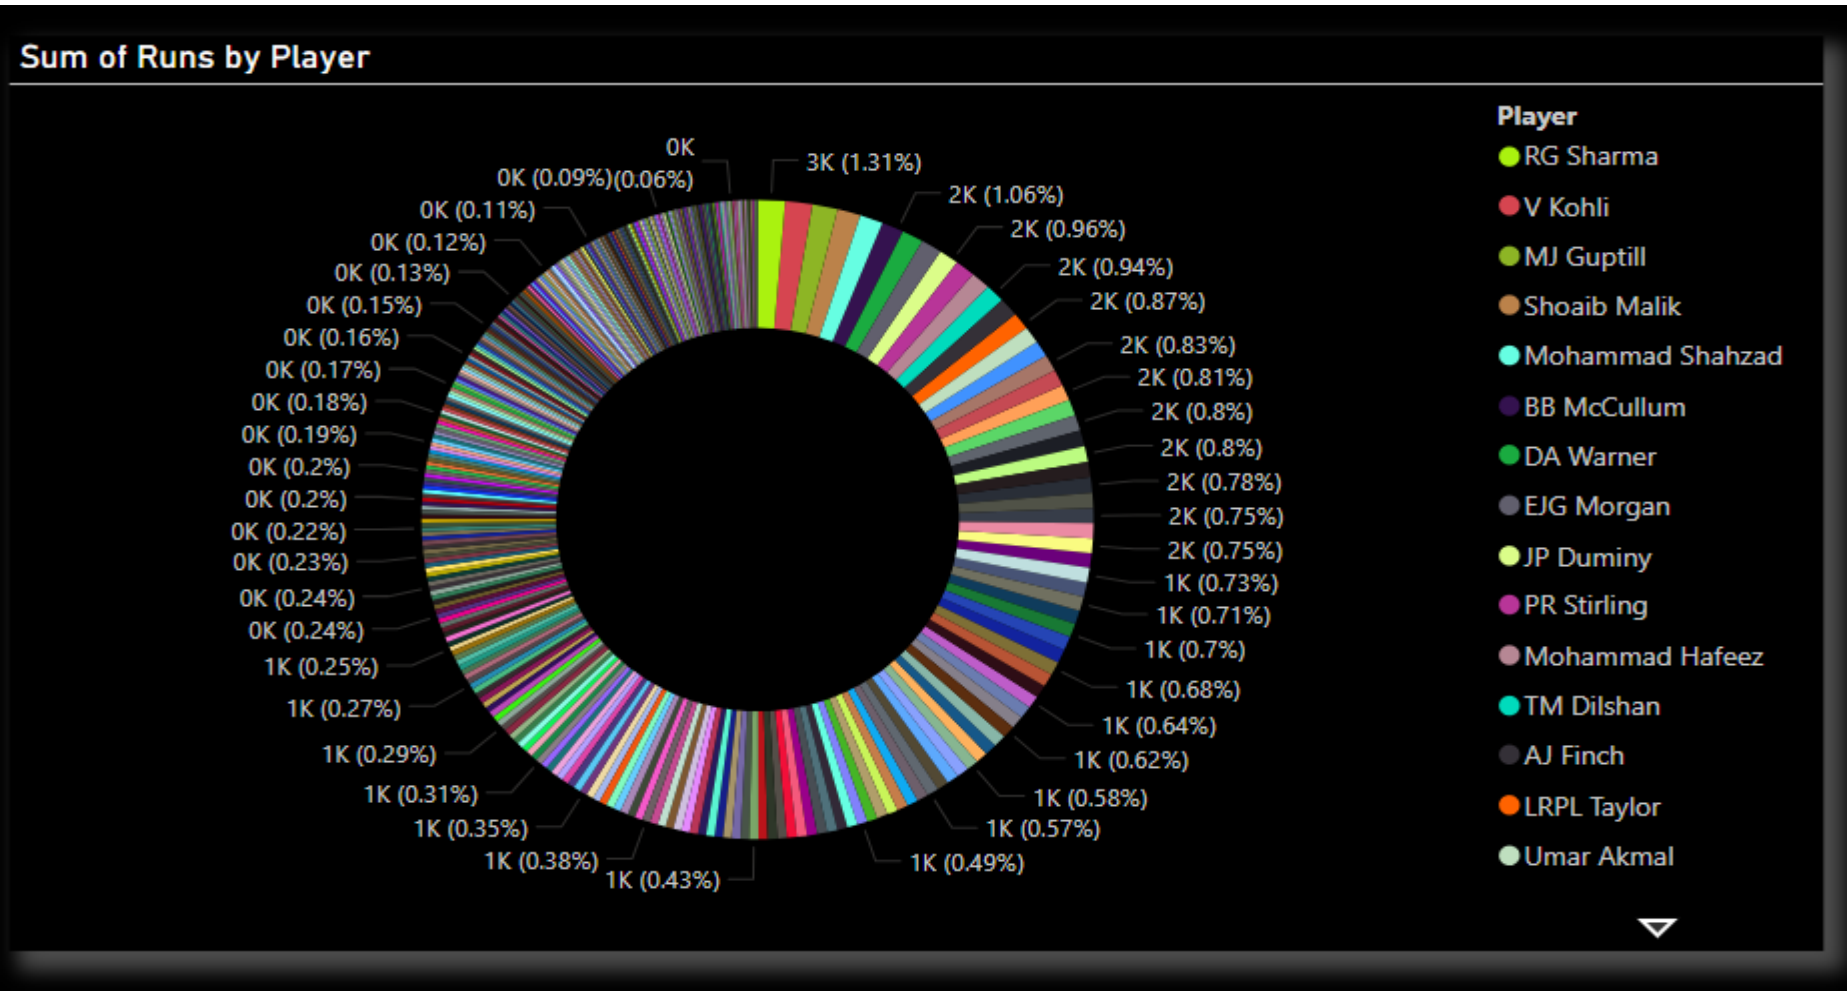

5. Visual Representations

- Can we have a pie chart showing the sum of runs by different players?

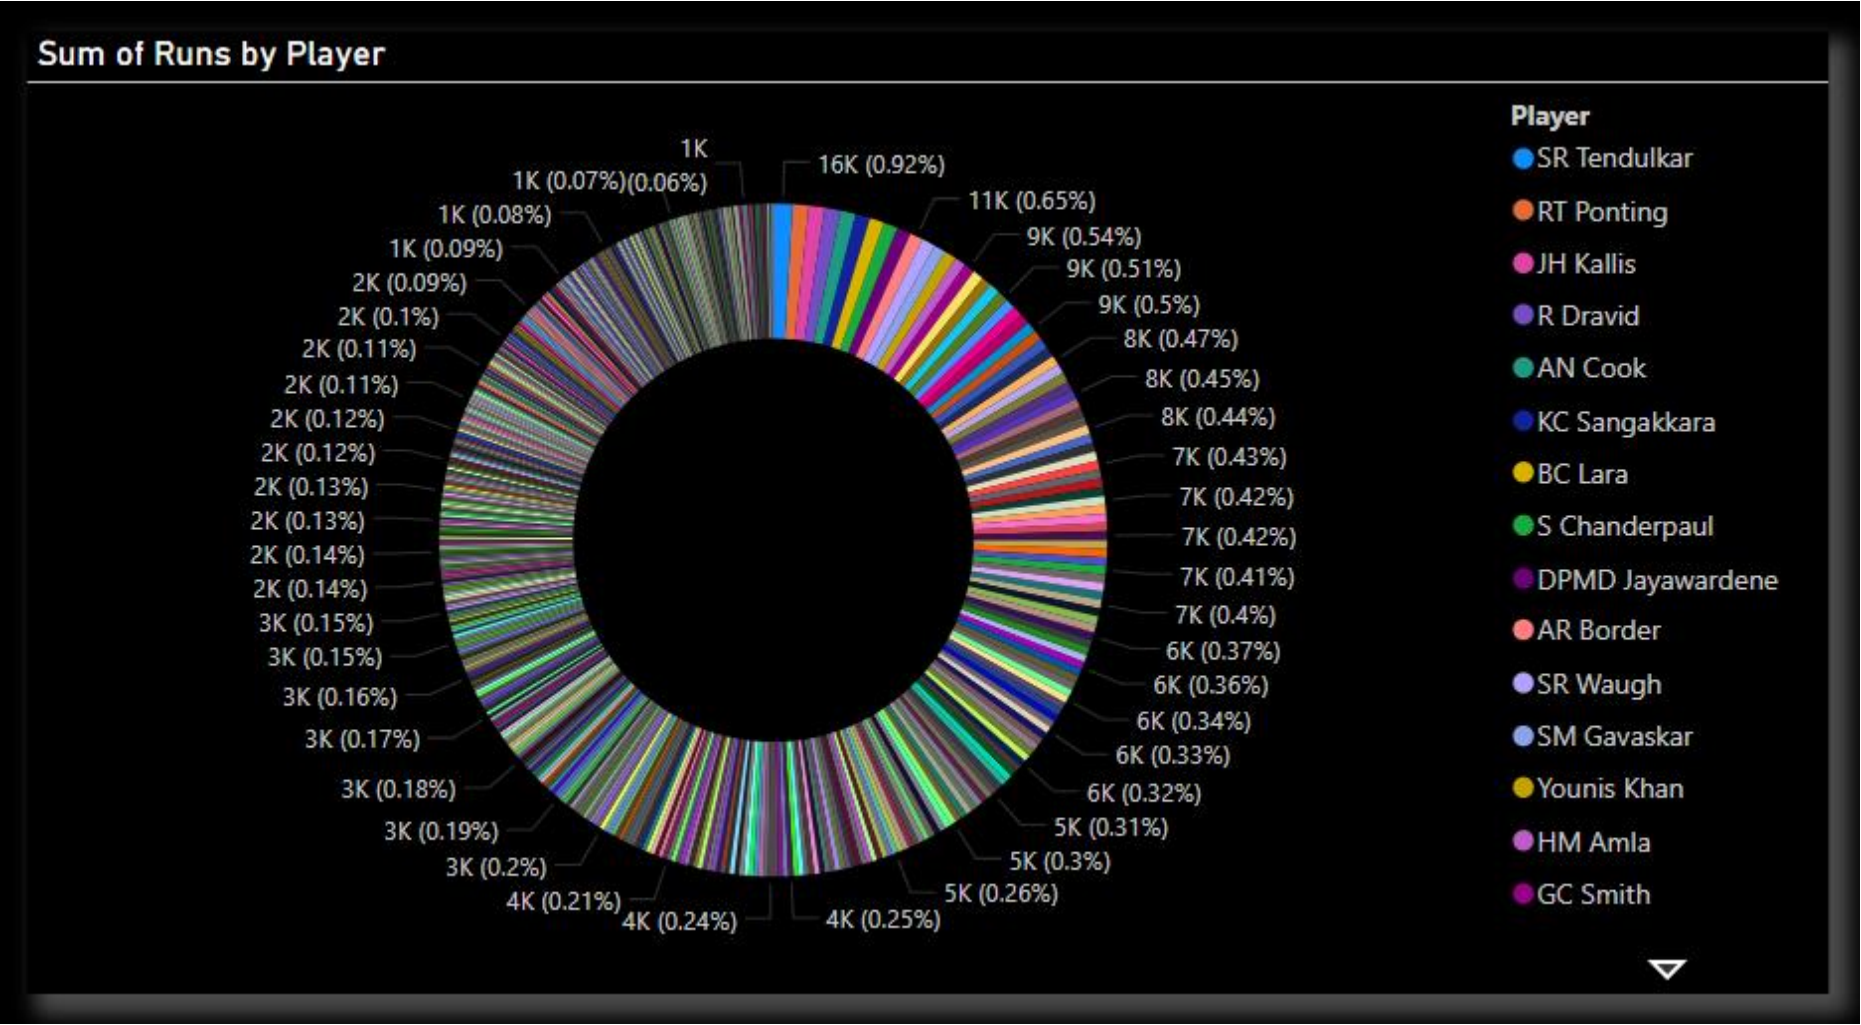

Format : ODI

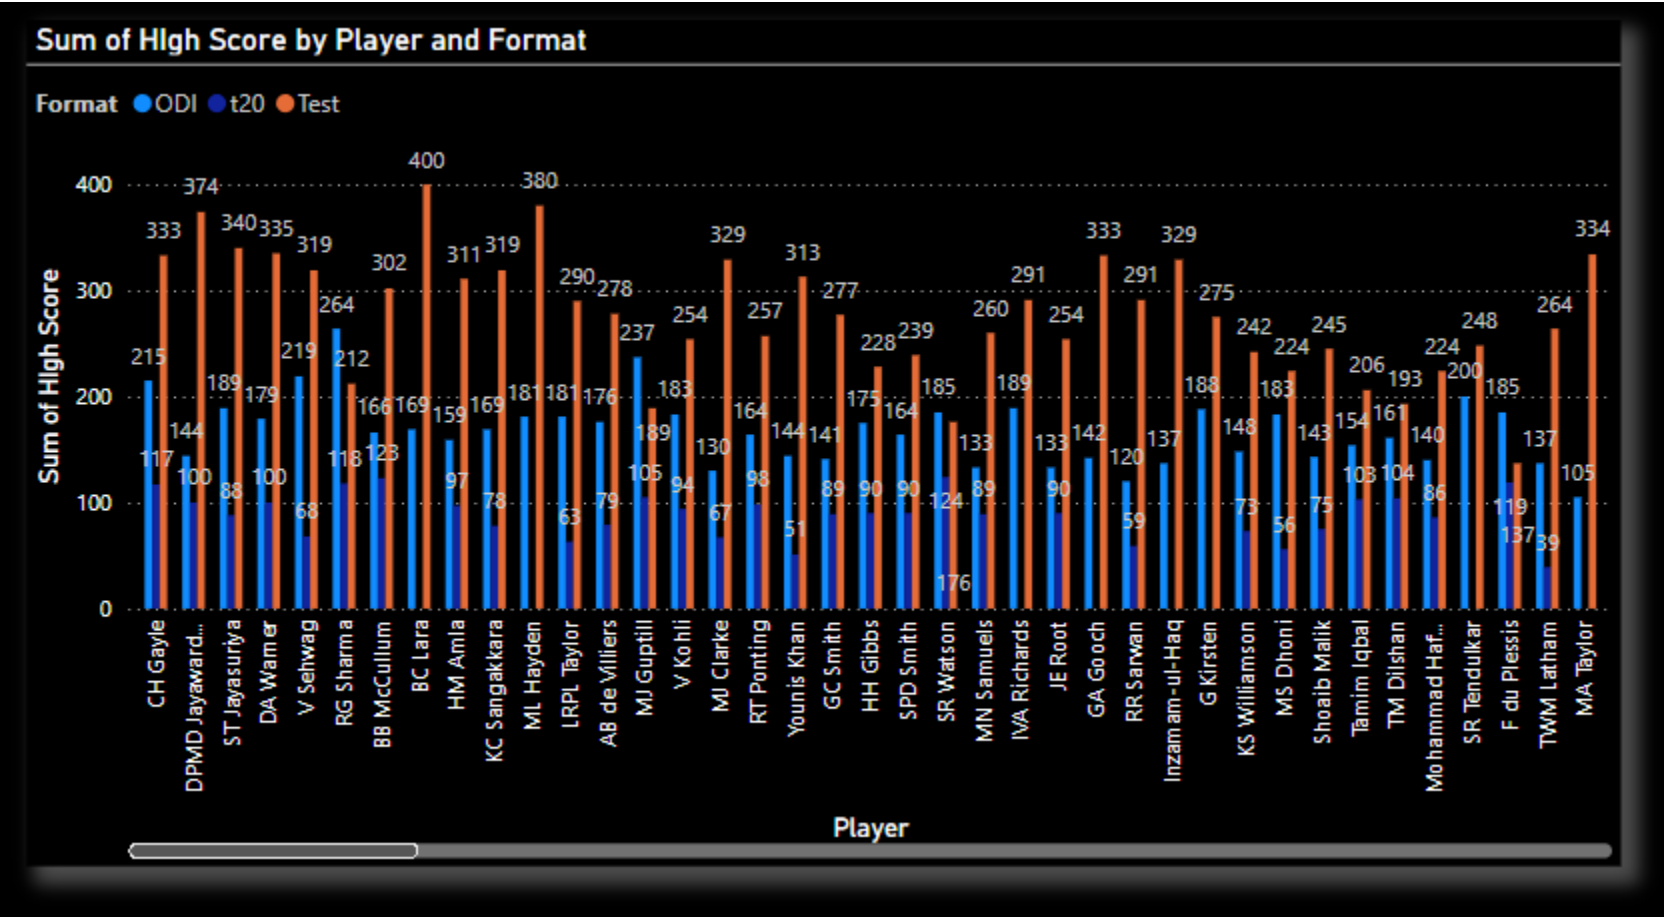

Format : T20

Format : TEST

• How about a bar chart comparing high scores by player and format (ODI, T20, Test)?

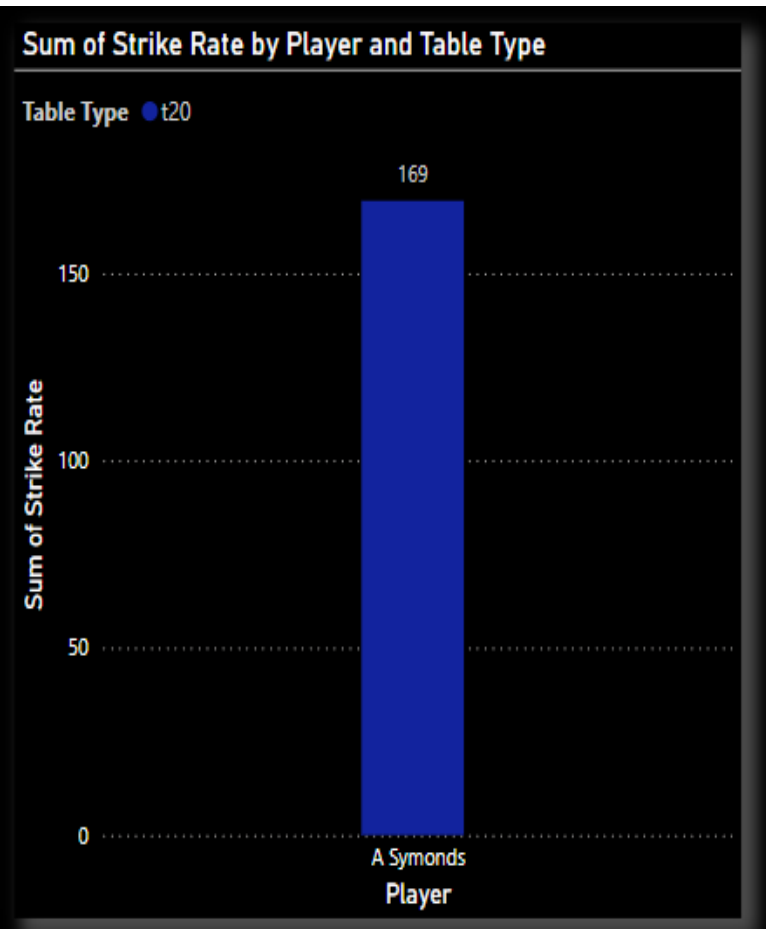

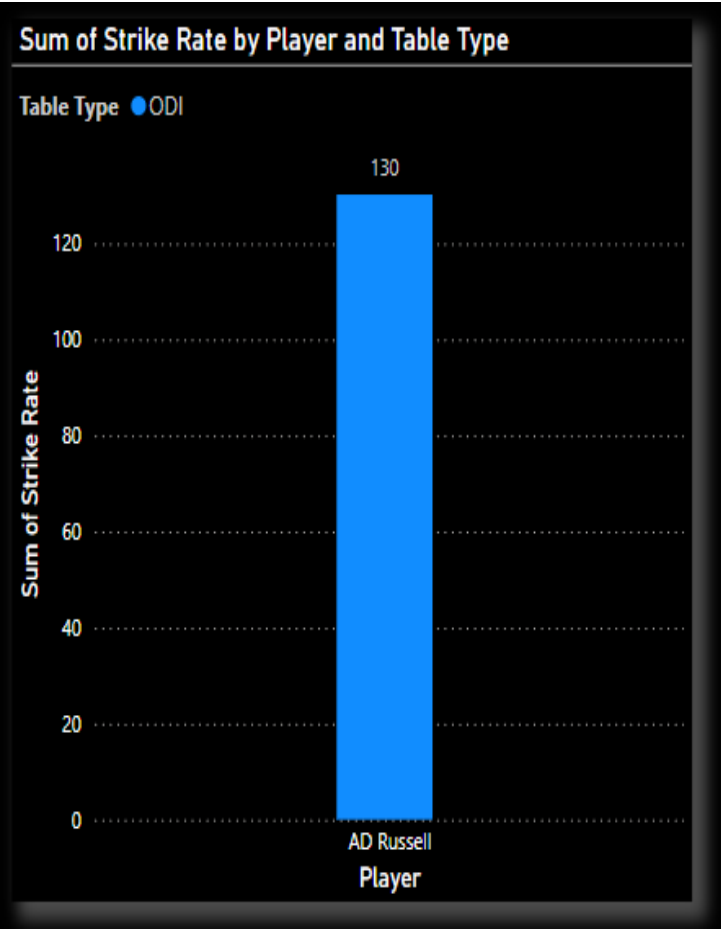

6. Key Performance Indicators

- Who are the top six-hitters in T20.

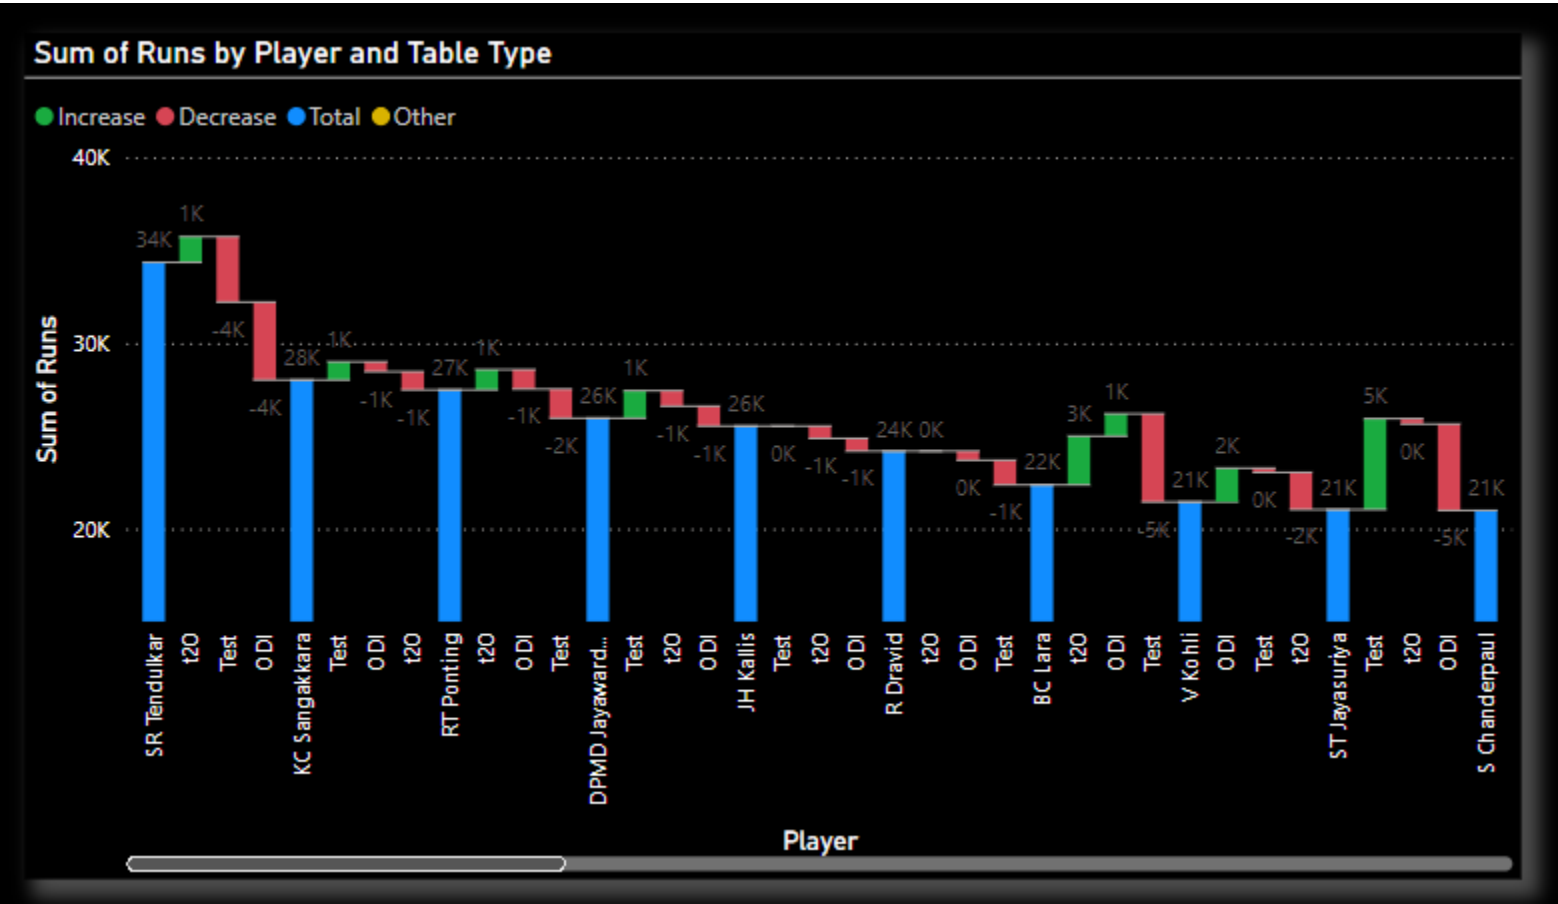

- Which players have the highest strike rates across formats?

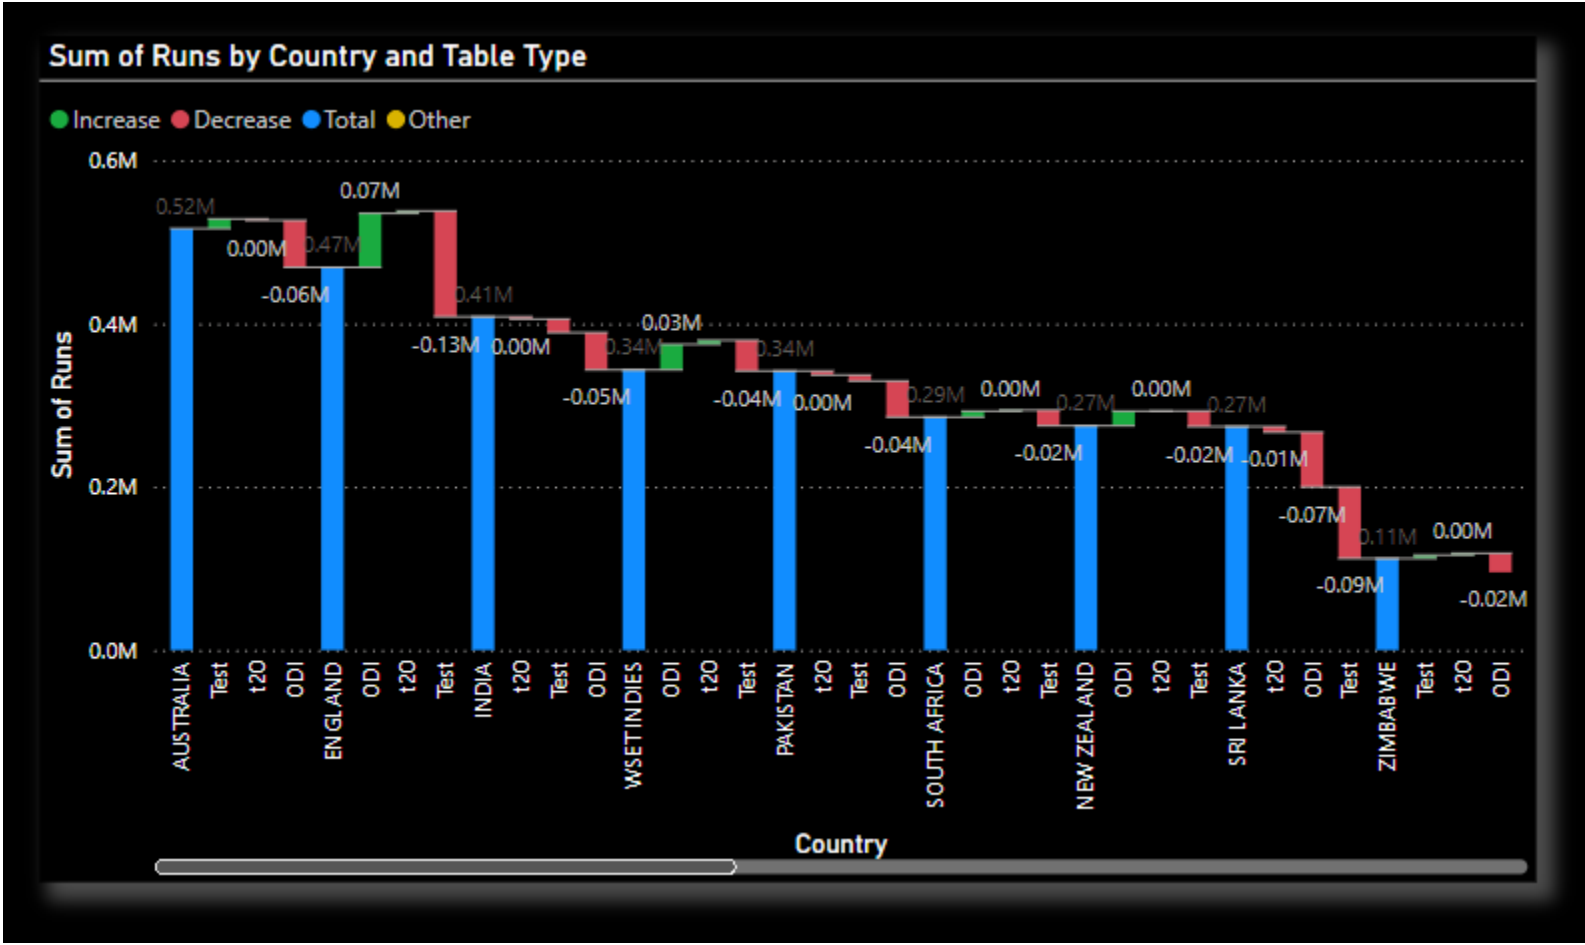

7. Insights and Trends

- Can you highlight any significant trends

- Are there any noticeable differences in performance metrics between players from different countries?

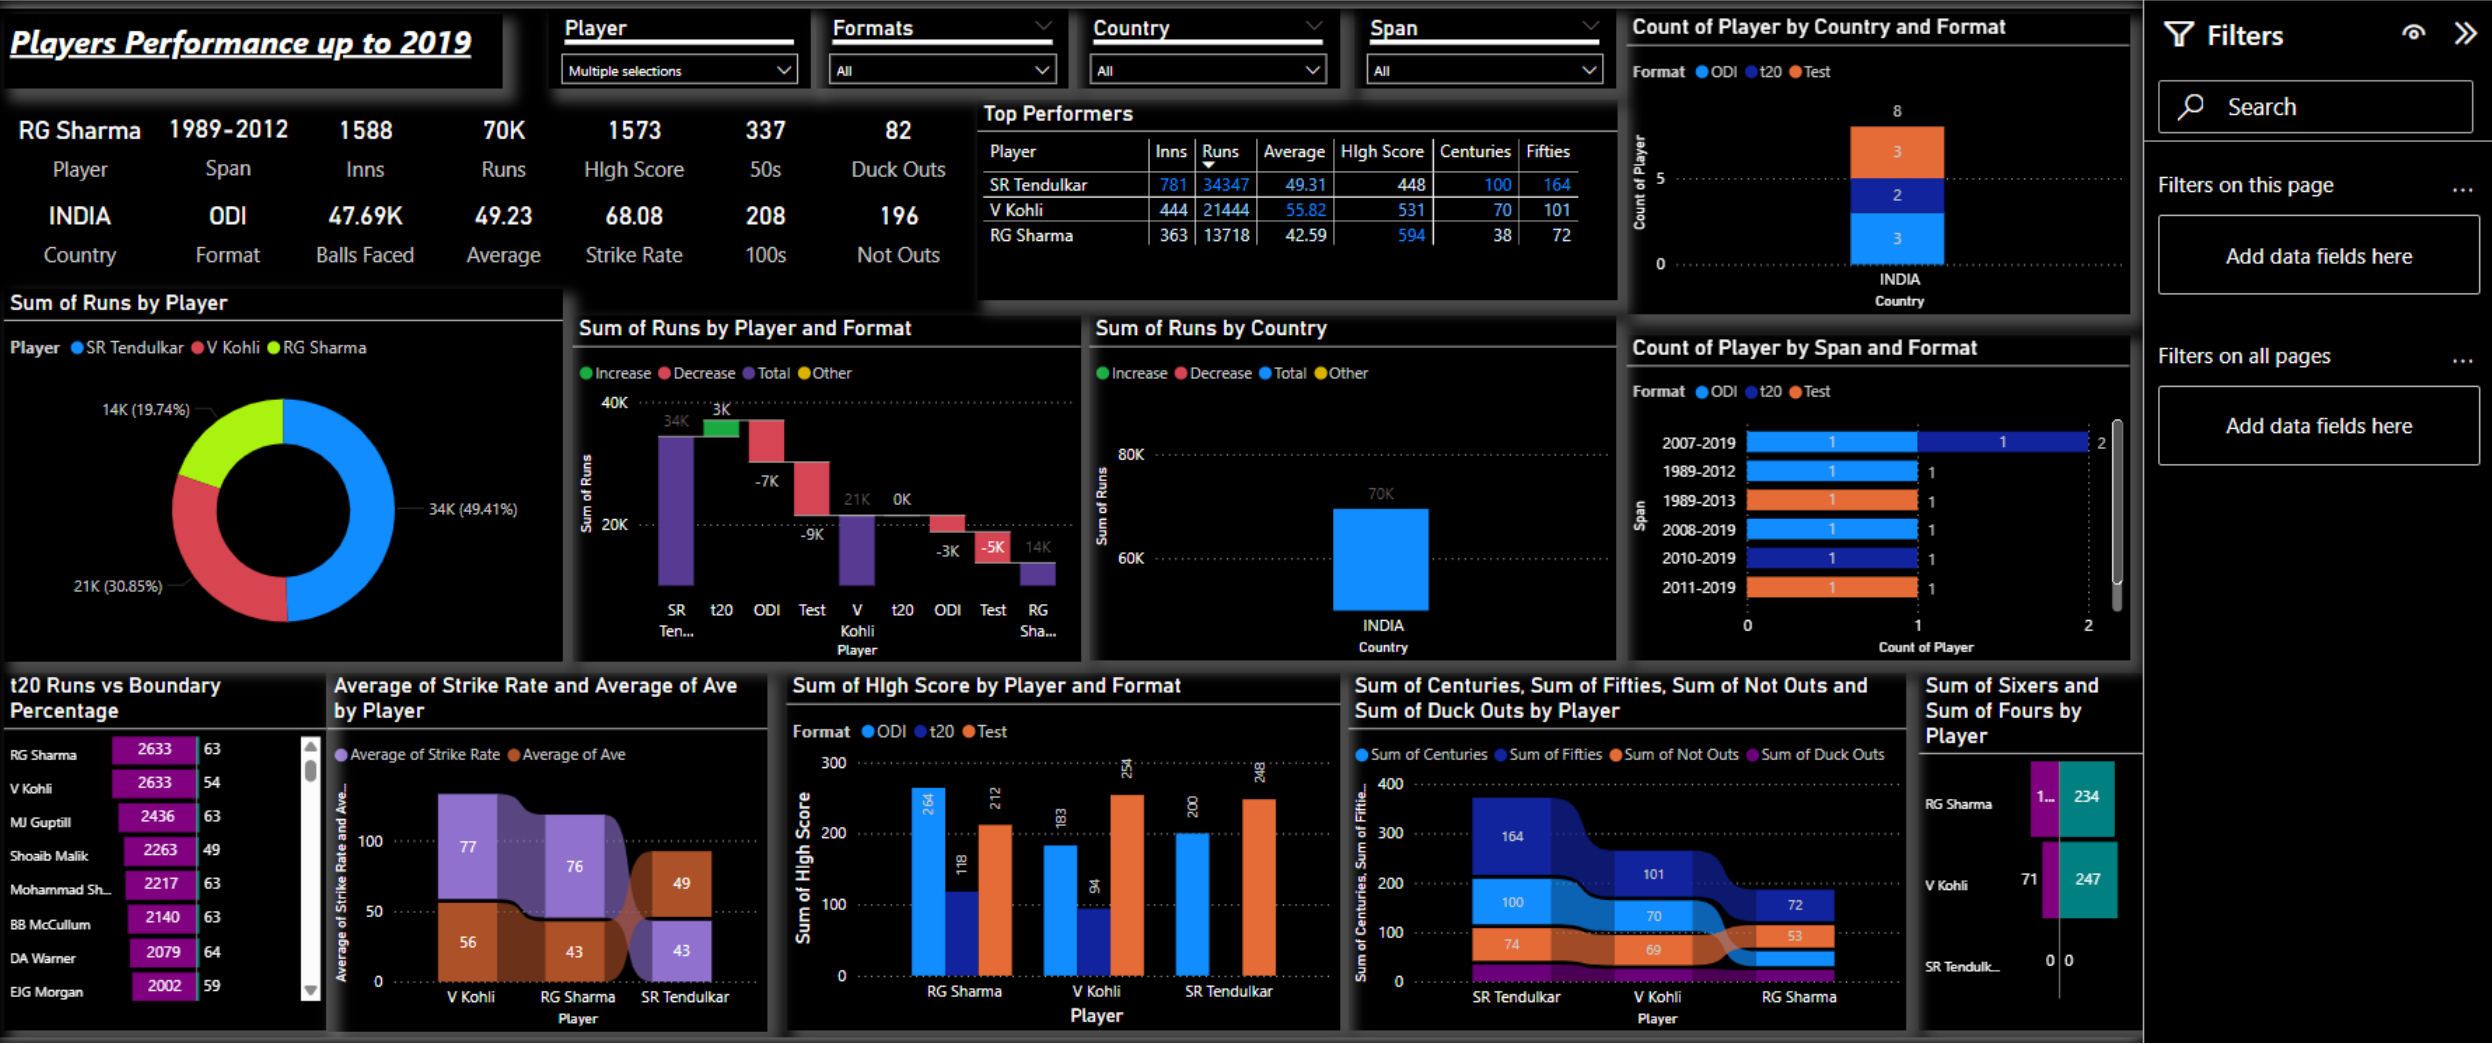

8. Filter and Drill-Down

- Can we filter the data by player, format, and country to view specific details?

1. Performance between Sachin, Kohli and Rohit

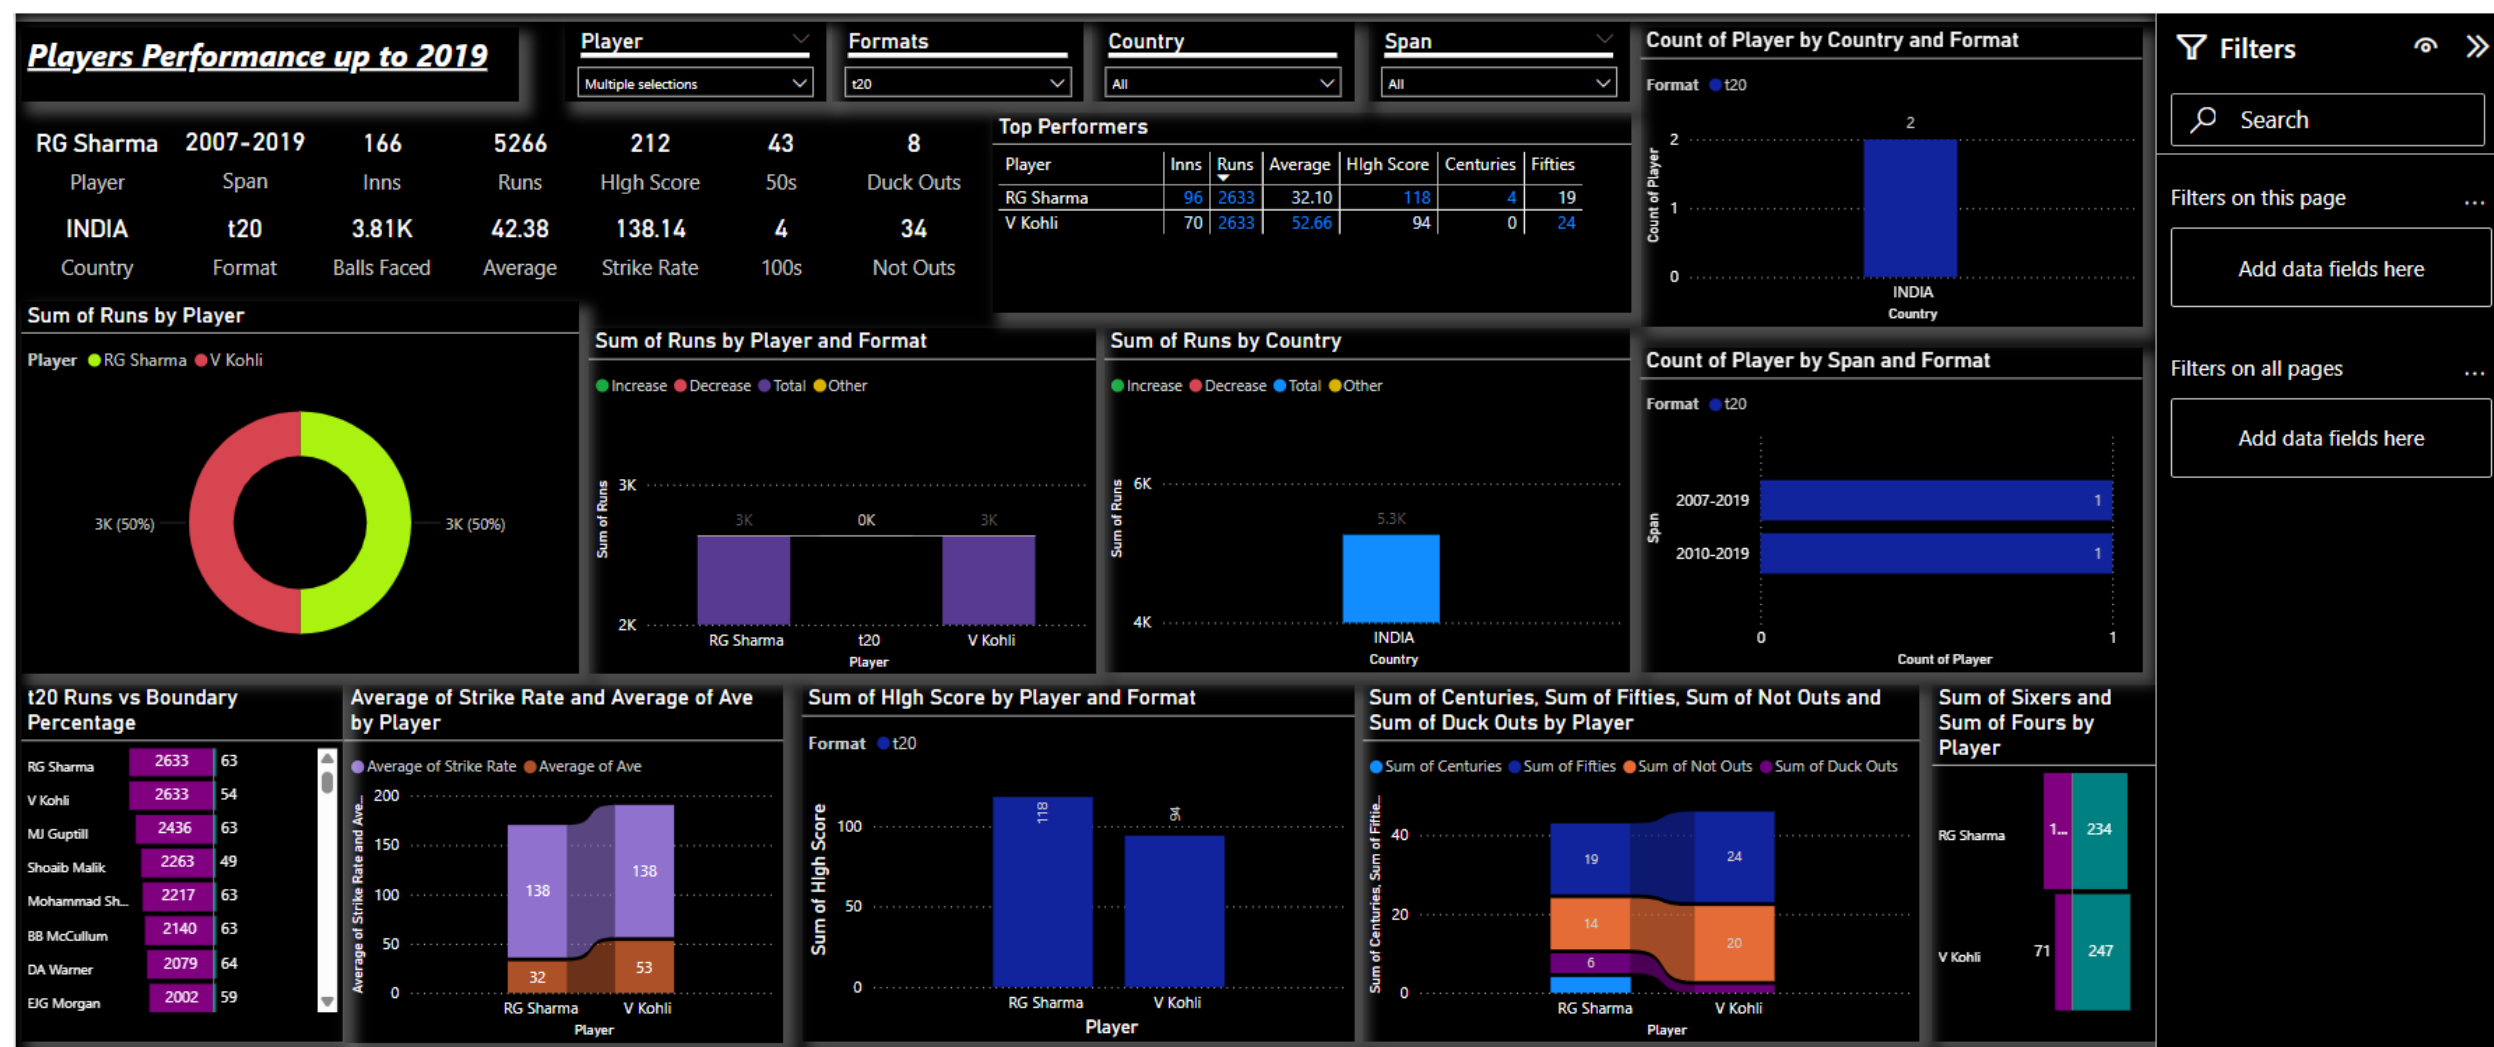

Overall performance

Format : ODI

Format : T20

Format : TEST

- Players stats who are debut in 2010 from India
